

Visitor Parking at Spencer House

Please park on the spaces noted as '**Spencer House Car Park**' on the right hand side of this image. Parking is free and unmonitored by ANPR in this location.

The car park is accessed by following the road all the way around the building, past the main, clinical and training room entrances from Dewhurst Road.

Parking under three hours on any of the car parks for the adjacent Birchwood Shopping Centre is free, however over three hours will be subject to a penalty.

Please enter the building at the main entrance, going through the entrance doors, past the stairs and through the double doors into the Reception area on the right, where one of our team will greet you.
